# Trading Platform of the Future

## Why trade with Botz?

Professional traders have known it for years: bots are better at trading than people. That is why the BOTZ app has been developed, so that you too can trade automatically

BotZ trade better than humans BotZ are the future of trading. The world's leading investors have been trading with botZ for a long time. Now you can too.

# How Does it Work?

The system uses artificial intelligence algorithms to automatically match quantitative trading strategies that are suitable for the current market situation, by using SPOT market analysis.

With the BOTZ app, you can trade as a 'professional trader' without a clue. Our bots buy and sell for you! Whenever there's a change in the market, they make sure you get the most out of your investment. All automatic! No staring at graphs trying to predict what will happen. The bots are on it! 24/7, never blinking, sleeping, no emotion
